

## SUMMER 2002

TOWN BOARD MEETINGS HELD THE 1ST TUESDAY OF EACH MONTH

Town of Gardnerville  
1407 Highway 395 North  
Gardnerville, NV 89410  
775-782-7134  
<http://town.gardnerville.nv.us>

### Street Sealing

We seal streets to preserve and extend pavement life. All streets on a sealing cycle. The following streets are scheduled for this year's sealing program.

BELL, EASTON, WILSON, NORTHHAMPTON, MISSION (395 TO EDDY), EDELSBOROUGH, PORTIONS OF LARSON/MATHIAS/ELDORADO, ALL OF WILDROSE, WILLOW, CHURCH, SPRUCE, CIRCLE. GARDNER, AND MILL (395 TO DOUGLAS).

Did you know? Street sealing costs less than 7 cents per square foot-total reconstruction can cost \$10 per square foot.

*Please be patient during the sealing process.*

## COMMUNITY NEWSLETTER

### New Town Hall

The Town Board is pleased to announce the opening of the new Town Hall and parking complex.

The Town Hall will officially open August 5, 2002. A ribbon cutting and open house is scheduled for August 6 beginning at 4:30 pm with the regular Town Board meeting.

### Road Construction

- High School Street from US 395 to the east will be rebuilt this summer.
- Ezell Street will be added from Slaughterhouse to the south side of Heritage Park.
- Crack sealing will begin again in all areas of Town.

### 395 Lighting

A partnership with NDOT, Douglas County, and the Town will see conduit installed for future decorative lighting in the downtown area. The Town will be looking for grant funding to complete the lighting project.

### Street Sweeping

The street sweeper comes around on the first Tuesday and Wednesday of each month. Please try to keep cars off the streets.

*Sweeping has greatly reduced storm drain cleaning requirements, and enhances water quality.*

### Green Waste

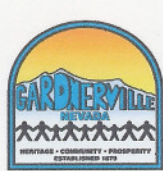

Green Waste pickup is on Tuesdays. These cans are for grass, leaves and small branches no larger in diameter than your thumb. Please keep large limbs and trash out of these cans.

*Green waste cans have an orange reflector on top. If you need a green waste can call the Town. This service is free.*

## WELCOME TO PAUL LINDSAY-YOUR NEWEST TOWN BOARD MEMBER

PLEASE NOTE: NEW MAILING ADDRESS EFFECTIVE AUGUST 5, 2002  
1407 HWY 395 N  
GARDNERVILLE, NV 89410

## **Gardnerville Heritage Park**

Formerly the Gardnerville Ball Park and Rodeo Grounds, the park was re-named in 2001 in honor of the community's rich past and reflecting the Official Town Motto of Heritage-Community-Prosperity.

Recently completed first phase improvements included under-grounding of utilities and widening of Courthouse Street to provide needed parking for both downtown and the park. Phase II improvements are scheduled to begin in July, and include the construction of Ezell Street, installation of sidewalks, decorative lighting to match future lighting on US 395 through the downtown core, site furnishings, and landscape/irrigation upgrades.

### **Park Location**

Gardnerville Heritage Park is located on Gilman just east of US 395. From Sharkey's Nugget you can see the park behind the Overland and East Fork Hotels.

### **GBA Project in the Park**

The Gardnerville Business Association is raising funds for completion of Heritage Park. A main thrust of their project is to secure funds for the construction of an outdoor stage for community events.

Many thanks to a dedicated volunteer group who have spent hundreds of hours in the past two years helping the community. The GBA is responsible for getting all the Holiday Decorations along US Highway 395 in town.

### **GE Elfun Team**

On July 17th, the GE/Bently ELFUN Team will be planting trees and shrubs in Gardnerville Heritage Park. The trees and shrubs come largely from a State grant the Town received for Urban Forestry.

The ELFUN Team will be working at the Park in the future to assist with whatever needs done, such as laying sod and planting more trees and shrubs.

Our community is grateful for their help and assistance. Watch the newspapers for more on ELFUN.

### **Nevada League of Cities**

The Town Board is pleased to announce that the Nevada League of Cities & Municipalities are holding the 2002 Annual Conference in the Carson Valley in August. Elected and staff representatives from virtually all Nevada cities, towns, and improvement districts will attend to discuss statewide issues and work together to make Nevada an even better place to call home.

## **Utility Questions**

Town offices receive a lot of telephone calls regarding utility billing and service questions. Sewer, water, and trash bills look alike (postcard style), but the Town only bills for solid waste disposal (trash). Commercial customers are billed monthly and residential customers are billed quarterly.

Sewer service is provided by the Minden-Gardnerville Sanitation District (MGSD). They can be reached at 782-3546.

Water service is provided by the Gardnerville Town Water Company (GTWC). Although the name sounds a lot like the Town, water is provided by a cooperative (everyone who owns property that has water service is a member). They can be reached at 782-2339.

For other important phone numbers, residents can look at the Town website under the "Links" page.
